

ALL ABOUT ME! PRESENTATION

This year, you will be asked to work on many different types of projects and presentations. One of the first will involve you getting up in front of the class and telling everybody exactly who you are. The type of presentation you give is up to you (see choices below); however, the information that must be shared includes the following:

INTRO – include your name, nickname, age, favorite pie (include as album cover if choosing to do a song/rap) and any other kind of favorites you want (color, song, movie, etc).

QUOTE – find a quote that really speaks to you (must include person who said it). Tell us why this particular quotation is special to you, what it means and an explanation of how it is inspirational.

HOBBIES/INTERESTS – what you really love and how you choose to spend your time.

SYMBOL – something that represents who you are. You must explain how this symbol encapsulates the real you!
